CAFETERIA

THE CAFETERIA

On the 13th of October, the students of Windsor High School had the pleasure of eating lunch in the new cafeteria and what a treat it was.

We have two good cooks, Mrs. Mary Parnell and Mrs. Amy Camic. While Mrs. Camic was ill another good cook, Mrs. Reason Davis, helped out. The cooks have some student helpers who wash dishes, punch tickets, etc.

Here is a sample of meals for one week.

MONDAY	TUESDAY	WEDNESDAY
Potatoes and Cheese	Turkey Steaks	Beef Roast and Potatoes
Egg Salad	Mashed Potatoes	Gravy
Green Beans	Gravy	Slaw
Pineapple Pudding	Slaw	Ice Cream
Vanilla Wafers	Peaches	Cookies
Bread and Butter	Bread and Butter	Bread and Butter
Milk	Milk	Milk

THURSDAY	FRIDAY
Turkey	Fried Fish
Up-side-down Pie	Wieners and Kraut
Green Beans	Mashed Potatoes
Scalloped Corn	Cherry Cobbler
Bananas	Bread
Bread and Butter	Butter
Milk	Milk

The dining room of the cafeteria is finished in a cool green and yellow, and it has a seating capacity for one hundred and two with six to a table.

The kitchen has two electric stoves, a potato peeler, a potato masher, a large walk-in cooler, a dish-washer and many other miscellaneous items.

All of the students and teachers stand in an orderly line to be served. The food is on steam tables so that it is kept hot while the three people serve each tray. After each person gets his tray, he picks up his knife, fork, spoon, milk, napkin, and straw. He then has his ticket punched and sits down to eat.

On the table he will find salt and pepper, bread and butter, and sometimes peanut butter, carrot sticks, or celery.

The pop machines and the candy room are in one corner of the cafeteria. Each class takes turns selling in the candy room.

For ball games, pop, candy, and ice cream are sold in the cafeteria, and also it serves as a smoking room for the men.

It is a wonderful place to show films and for the music students to practice.

Everyone thinks this is a fine addition to the school.

NATIONAL TRAIL CONFERENCE TOURNAMENT

The brightest spot of the 52-53 basketball season was undoubtedly winning the National Trail Conference Tournament. The Blue Devils won the Tournament by downing St. Elmo in the first round, a surprising victory over Teutopolis, and a final victory over the rough St. Anthony Bulldogs. Going into the Tournament with a six and six record the Blue Devils were rated a dark horse and were not expected to go past the first round.

Windsor won the first round game easily from St. Elmo by a 61 to 31 score.

The Blue Devils then tackled T-Town in the next game and came out on top after a rousing battle, that wasn't decided until the last shot, by a score of 49 to 47. Windsor led most of the way, but the Wooden Shoes put a last quarter rally that was turned back by the Blue Devils. The game winning points were free throws made by Jim Maxedon.

In the final game against the St. Anthony Bulldogs the Blue Devils wasted little time in getting started and at one time led by 13 points. St. Anthony meantime found the range and pulled upon even terms with Windsor in the last quarter, and from there on it was a seesaw battle which the Blue Devils won by pulling a neat and effective stall for the last minute and a half. Again the game-winning points were free throws; this time Larry Hennigh guard, was the sharpshooter.

This tournament victory brought to Windsor the only first-place trophy won by the varsity this season. It served as an inspiration foı the rest of the season as the team won a great percentage of their games from there on out.

BASEBALL

The climax of a very successful season in baseball was the winning of the National Trail Conference Championship. The trophy was presented at a banquet on March 23, 1953.

The team won nine games and lost only two. They scored a total of 82 runs to their opponents' total of 44 runs which gave them an average of 7.8 runs per game. They were ably coached by Mr. Buchanan and Mr. Seng.

Scores were as follows:

Windsor 16		Findlay 8
Windsor 4		Cowden 5
Windsor 12		Brownstown 4
Windsor 4		St. Anthony 2
Windsor 14		Beecher City 4

Mrs. Griffin was chosen as Chapter Mother.

During National F. H. A. Week, November 2-8, we did the following: Sunday—We went to St. Paul's Lutheran Church in Strasburg; Monday—We put a rose in each of the teacher's rooms; Tuesday—We marched up town with the band in the "Get Out and Vote" Campaign; Wednesday—We had a fifteen-minute radio program over W. L. B. H.; Thursday—We put F. H. A. news in the Windsor Gazette; Friday—We planted a rose bush near the entrance of the school; Saturday—Each girl was to take the responsibility of the home.

We were hostesses for the Sectional Sweetheart dance this year on February 12th. Carol Ann Ellison was chosen to represent W. H. S. in the Queen's Court.

Our officers attended an Officer's Training School on the Campus of Eastern Illinois State College, November 1, 1952. We toured the Campus and went through the new dormitories.

Our theme this year is "The home should be the center of a girl's thoughts, but not the boundaries."

FUTURE HOMEMAKERS OF AMERICA

Our program for this year was as follows:

October—Encouraging Democracy—To foster the development of Creative Leadership. Our president, Carol Ann Ellison, attended Leadership Camp.

November—To promote International Good Will—Mrs. Auchard talked to us about Mexico.

December—To provide wholesome individual and group recreation. We went Christmas caroling about town.

January—To promote better home life for all. Ruth Bence attended our meeting and gave us some pointers on care for the hair.

February—To emphasize the importance of home membership. We had a pancake flip and movies for our fathers.

March—To promote a growing appreciation for the joys and satisfaction of homemaking. We held discussions about home life.

April—To further interest in home economics. Career day.

May—To further interest in home economics. We entertained the eighth grade girls.

JUNIOR-SENIOR BANQUET

The theme of the Junior-Senior Banquet held on May 9, 1952 in the high school gym was "Stairway to Heaven" and was well carried out in food, decorations, and program. Decorations were as follows: the west end of the gym was decorated to represent a rainbow; and the orchestra, which was Blackwell's, was centered on a cloud; it was beneath a false blue ceiling representing the sky. The highlight of the decorations was the stardust-covered stairway starting on the gym floor and giving an impression of leading to heaven; at the top stood St. Peter at the Golden Gate. The walls and windows were covered with stars.

The women of the Christian church prepared the food and the Sophomore girls served.

"Yes, sir, it cost me a lot to learn that putting off needed service for my farm machines wasn't good farm management. But now I plan ahead . . . stay money and time ahead with IH 5-Star Service.

"Just before I lay up my farm machines for the winter I call my IH dealer and have him come out and give them a complete inspection. Doesn't cost me a cent. I find out what needs attention on each machine and then make a date to have it serviced before the season's rush. It sure pays!"
